Feedback - Planning For Next Year	<p>Feedback - Planning For Next Year At this time of the year we are beginning our planning for next year. As parents, your voice is important in helping provide perspective on how we are doing as a school. To that end, I am asking for parents to share feedback in the areas of the following three questions:</p> <ol style="list-style-type: none"> 1. What are processes or practices that we have in place at Eastglen that you feel we should continue? 2. What are some things you would like to see us do differently at our school? 3. Any other information you feel we would benefit from hearing. <p>Please feel free to email your thoughts to me at: Darren.Fox@epsb.ca Thanks!</p>
