

Eastglen High School

WEEK AT A GLANCE

April 3 – April 6

“At the end of the day, the most overwhelming key to a child’s success is the positive involvement of parents.”

Eastglen’s Vision Statement	Eastglen’s Vision Statement Our Vision at Eastglen High School is that our students and staff will develop the knowledge, skills and attitude to achieve success.
Attendance Expectations	Pre-Enrolment Process Our goal is to successfully support our students in completing high school and transitioning into either post-secondary or into the world of work. To that end, our requirement is that students attend a minimum of 90% of their classes. This is an expectation across all of Edmonton Public Schools. Our Student Service Team members will work closely with you to support your child in achieving success – and it starts by being here every day.
Work Completion & Expectations	Work Completion & Expectations Another expectation we have to support our students in finding success is the completion of all summative assignments. Any assignment that a teacher assigns that is summative (i.e. for marks) must be completed by students. If a student requires additional support in meeting this expectation, our teachers and our Student Services Team members will be providing a variety of additional learning opportunities. Should you have any questions, please do not hesitate to contact any member of our Student Services Team.
Parent-Teacher Interviews	Parent-Teacher Interviews This is just a reminder that Parent-Teacher Interviews are this Thursday, April 5 th from 4:30 to 6:00 PM. These interviews are doing “in the round” meaning you do not need to set a specific meeting time.
