

Eastglen High School

WEEK AT A GLANCE

April 3 – April 7

“At the end of the day, the most overwhelming key to a child’s success is the positive involvement of parents.”

Eastglen’s Vision Statement	Eastglen’s Vision Statement Our Vision at Eastglen High School is that our students and staff will develop the knowledge, skills and attitude to achieve success.
Expectations To Enhance Student Success	Expectations To Enhance Student Success Our goal is to create a successful learning environment for all of our students. This is just a reminder that we want 100% of our students to find success at Eastglen. One of the most important indicators in student success is student attendance. At Edmonton Public Schools and at Eastglen School, our expectation is that students will maintain at least 90% attendance. Of course, we understand that there are times when students are ill or have medical appointments. However, when it comes to unexcused absences, our expectation of attendance is very clear. Should students choose not to attend classes, there will be a variety of consequences that could occur, including: Student meetings with the administration, Parent meetings with the administration, removal from participation in special school events (including field trips, Graduation activities), removal from one or more classes, or consideration of alternative programming outside of Eastglen School. In the end, we want to create highly productive working and learning environments that support everyone’s success. Your support is most critical in making this a success. Should you have any questions regarding any of these topics, please talk to our Student Services Team. Thanks!
Parent-Teacher Interviews	Parent-Teacher Interviews This is just a reminder that we are having our Parent-Teacher Interviews this Thursday from 4:00 PM to 6:00 PM in the large gym. Should these times not work for you, please contact your child’s teacher directly to set up an alternate time.
Eastglen Parent Association Meeting	Eastglen Parent Association Meeting – Thursday at 6:00 PM Following Parent-Teacher Interviews this Thursday, we will be having our Eastglen Parent Association meeting. Our Foods students will be serving some hors d’oeuvres for dinner, followed by a short presentation by the administration. We will also have parents have a chance to try out our new pottery wheels in the art room. All parents are invited and welcome to join us!

Bike-a-thon	Bike-a-thon We are really excited about having our first annual Eastglen Bike-a-thon. This event is being held over two days: Thursday, April 20th and April 21st. The event will begin around 1:00 PM on the 20th and finish 24 hour later, at 1:00 PM on the 21st. Our overall goal is to raise at least \$10,000 for cancer research. Our students are choosing from a variety of cancer areas to support, from ovarian cancer to brain cancer. Further, one team is supporting Adam's Army. This is an incredible event and there is a lot of excitement across the school. If you would like to get involved to support this event, please feel free to contact our organizing committee.
Diploma Prep Courses	Diploma Prep Courses In our effort to support our students in finding success with their Diploma exams, we will be offering Diploma preparation beginning at the end of May. Our goal is to have 100% of our students participate in these preparation courses, as they will be very beneficial for our students. And, because we feel so strongly about the importance of these review times, there will be no cost for our students - we will cover the cost at the school level. All families have to do is to place a \$50 deposit to guarantee the student a spot in the course. Upon the student completing the review course, parents will receive a full refund of the deposit. Should you have any questions, please feel free to contact our school office. Thanks!
