

Eastglen High School

WEEK AT A GLANCE

December 12 – December 16

“At the end of the day, the most overwhelming key to a child’s success is the positive involvement of parents.”

Eastglen’s Vision Statement	<p>Eastglen’s Vision Statement Our Vision at Eastglen High School is that our students and staff will develop the knowledge, skills and attitude to achieve success.</p>
Be A Blue Devil Days	<p>Be A Blue Devil Days As part of our role in assisting students in grade 9 with their transition to high school, we organize a variety of activities to support these students in our local junior high schools. Sometimes this involves the junior high students participating in our tournaments, leadership camps, art activities, attending our dance showcase performances and earning their first high school credit through the work experience course of HCS3000, to highlight just a few.</p> <p>Another activity we have organized will be occurring over the next two weeks at Eastglen. Students from Highlands, Lawton, John D. Bracco and Spruce Avenue will be spending a day at Eastglen, learning what it means to Be A Blue Devil. The students will be paired with our student leaders, and will experience the wonderful variety of learning opportunities that they can be engaged in. For example, they will experience our Performing and Visual Arts classes, our Career and Technology classes, Phys Ed and our fitness facility, core classes and our Advanced Placement classes. We are excited about supporting our future Blue Devils!</p>
Student Leadership Mentors – Supporting Mount Royal School	<p>Student Leadership Mentors – Supporting Mount Royal School Our student leadership class has worked very hard this semester to create wonderful student activities and provide a student voice in our school as student leaders. For these last two weeks in December, our student leadership class will be going to Mount Royal School to provide mentorship to these elementary students. This is just another way that Eastglen is involved in supporting our greater community!</p>
