

Eastglen High School

WEEK AT A GLANCE

February 1 – February 4

“At the end of the day, the most overwhelming key to a child’s success is the positive involvement of parents.”

Eastglen’s Vision Statement	<p>Eastglen’s Vision Statement Our Vision at Eastglen High School is that our students and staff will develop the knowledge, skills and attitude to achieve success.</p>
Semester 1 Report Cards	<p>Semester 1 Report Cards This is just a reminder that our Semester 1 Report Cards are now available on SchoolZone. Should you have any questions, please contact our Student Services Department team members. Thanks!</p>
Semester 2 - Start Up	<p>Semester 2 - Start Up It is hard to believe we are already in the second half of the school year. As you know, Semester 2 begins tomorrow (Wednesday, February 1st). Students are invited to access their student timetable from SchoolZone, or they can pick up a paper copy first thing tomorrow morning.</p>
Course/Timetable Changes	<p>Course Changes We recognize that our students may be interested, or may require, changes to their current semester 2 schedule. To that end, our Student Services Team members have scheduled two rounds of changes over the next two weeks: 1/ For those students needing course changes (missing a required course, need to repeat a course, etc.) those students can meet with our Student Services Team over the course of this week to correct their schedules. 2/ For those students who are wanting course changes, due to personal preference, those changes will be occurring next week. The dates are:</p> <ul style="list-style-type: none"> • Grade 12: Tuesday, February 7 • Grade 11: Wednesday, February 8 • Grade 10: Thursday, February 9 <p>If you have any questions, please do not hesitate to contact the members of our Student Services Team.</p>
Student Services Team Members	<p>Student Services Team Members To better support our students and their families, we have continued our restructuring of our Student Services Team model. To that end, when students have questions or concerns, their first point of contact is with the members of our Student Services Team.</p> <p>These members include:</p> <ul style="list-style-type: none"> • Mr. Acheson (available blocks 3 & 4 in the office) • Mrs. Ferguson (available blocks 1 & 2 in the office) • Mr. Padberg (available blocks 2 & 4 in the office) • Mr. Trimble (available blocks 3 & 4 in the office) <p>Our Assistant Principals, Ms. Matthews and Mr. Poon will continue to have their alpha groups and will act as a secondary contact level for their students and both will oversee the Student Services Team.</p>

<p>Attendance Requirement</p>	<p>Attendance Requirement At this time, it is important to remind all parents that both Eastglen School and Edmonton Public Schools have attendance expectations for our students.</p> <p>To that end, our expectation is that students will maintain at least 90% at school. We understand that there may be unique circumstances that may impact student attendance, and those issues need to be clearly communicated to our Student Services Team.</p> <p>For grade 12's, our 90% attendance expectation is one of the factors that we will use to approve student participation in graduation activities. Please review this with your child.</p> <p>If you have any questions, please do not hesitate to contact our Student Services Team.</p> <p>Together we can have 100% of our students to find success at Eastglen and complete high school. Thanks!</p>
<p>Little Devil Classic Basketball Tournament</p>	<p>Little Devil Classic Basketball Tournament We are pleased to be hosting our Annual Little Devil Classic Basketball Tournament at Eastglen this upcoming weekend.</p> <p>This tournament is for our local junior high school students, and it serves to provide them with a first class experience at a high level tournament.</p> <p>If you have some time, come out and enjoy the basketball.</p>
<p>Chromebook Purchases</p>	<p>Chromebook Purchases As part of our regular process in schools, we are currently updating our technology available to our students. To that end, our Eastglen Parent Association has provided approximately \$30,000 from casino funds to purchase two new sets of chromebooks and cards. This is exciting, as we will purchase a third cart using money from our school budget.</p> <p>However, even more exciting is that our Superintendent's Office has agreed to match our technology purchase, meaning that we will have an additional 3 sets of chromebooks. In the end, we will have about 200 new machines available for students to use! We are fortunate to have this incredible support! Thank you!!</p>
<p>PD Day</p>	<p>PD Day This is just a reminder that we have our next school and District Professional Development Day next Monday, February 6th.</p> <p>There will be no classes that day, and our staff will be involved in strategic planning related to finding success for our students in their classes.</p>
