<b>Touch of Class Day</b>	<b>Touch of Class Day</b> This Thursday we will be having our Annual Touch of Class Day. This day is meant as an opportunity for our students to dress in nice attire and feel proud about being a student at Eastglen High School. We have prizes for students as well as a photo booth to make this event even more special for our students. We do not expect students to go out and purchase new clothes for this event – they should just wear clothes that they are proud of and are more formal in nature. If you have any questions, please contact Mrs. Larson at the school.
<b>Hats, Hoodies and Lates</b>	<b>Hats, Hoodies and Lates</b> It is important to remind all parents that safety is paramount at Eastglen. To that end, our expectation is that all students will remove hats, hoodies and headwear when they are in our school. The only exception is for students who are wearing headwear for religious reasons.  In addition to the safety of our students, we know that is critical that we maximize student learning time. On occasion students may choose to be tardy for classes, which serves to impact both the learning environment (interrupts the classes already in session) and it also negatively impacts that student’s learning of all concepts. We have a multi-step support program to work with our students who are repeatedly late. This includes having discussions with the teacher(s) and the administration, parent phone calls, or being directed to our Academic Success Centre after school, to support them catching up on missed work and time in the class.  Together we can have 100% of our students to find success at Eastglen and complete high school. Thanks!
