

Eastglen High School

WEEK AT A GLANCE

June 4 – June 8

“At the end of the day, the most overwhelming key to a child’s success is the positive involvement of parents.”

Eastglen’s Vision Statement	<p>Eastglen’s Vision Statement Our Vision at Eastglen High School is that our students and staff will develop the knowledge, skills and attitude to achieve success.</p>
Diploma Prep Courses	<p>Diploma Prep Courses As part of our ongoing commitment to our students’ education, we are hosting our third round of Diploma Prep courses. Rather than expect families to pay \$100 or more per course from other groups or agencies, we cover all costs and offer our own Diploma Prep courses. We hire teachers from other high schools to come in and provide detailed review to assist our students in preparation for their Diploma Exams. This schedule is posted on SchoolZone. It is NOT too late for students to attend any course.</p>
Grad Week – School Spirit Activities	<p>Grad Week – School Spirit Activities As part of the tradition for Grade 12 students, this upcoming week is Grad 2018 Week. To that end, daily activities have been arranged during the lunch hour each day. The list of daily activities will be posted on SchoolZone by Mr. Wong.</p>
Graduation Ceremonies	<p>Graduation Ceremonies This is just a reminder that, in an effort to reduce graduation costs, we are hosting our graduation ceremonies on Saturday, June 16th. The commencement ceremony will be held at the Edmonton Expo Centre beginning at 10 am. This is such an exciting time seeing our grade 12’s wearing their caps and gowns, and crossing the stage in recognition of their accomplishment of completing high school. The Banquet and Dance will also be held at the Edmonton Expo Centre, beginning at 5:30 pm.</p> <p>These activities are a way for our school to recognize the tremendous work and dedication put forth by students and you, their parents. Should you have any questions about Grad events, please do not hesitate to contact Mr. Wong.</p>
Award’s Day Ceremony	<p>Award’s Day Ceremony On Monday, June 18th starting at 3:30 pm Eastglen School will be having it annual Award’s Day Ceremony. While all of our students are a gift, this ceremony is meant to recognize those students who have gone above and beyond in a variety of capacities. This ceremony is our way of honouring these amazing youth who help make Eastglen such an amazing place!</p> <p>Invitations will be sent out to families of students who are receiving an award. Following the ceremony, we will be inviting families for some hors d’oeuvres and conversation with staff in an informal capacity. We can’t wait to see you there!</p>
