

Eastglen High School

WEEK AT A GLANCE

November 26 – 30th

“At the end of the day, the most overwhelming key to a child’s success is the positive involvement of parents.”

Professional Development Day

Professional Development Day

For our professional development day our staff spent the day working with colleagues from our other high schools. This time provided us with the opportunity to have our teachers work with teachers work with teachers in the same subject areas from high schools across the city. This is an incredibly valuable time that serves to strengthen the quality of teaching and learning occurring for our students.

We have two more professional development days later this year. During those days we will continue with this important work.

Eastglen Parent Association Meeting

Eastglen Parent Association Meeting – Tuesday, November 27th

This is just a note that our next Eastglen Parent Association Meeting is on Tuesday, November 27th starting at 6:30 pm.

Our Foods 30 students will be preparing both appetizers and desserts for all of the parents in attendance. What a special treat!

As well, members of our Student Leadership Team will be presenting about our December Student Leadership activities and community support.

Following the student leadership presentation, there will be a presentation by some of our math students and our Math Department Head, Mr. Trimble. They will be taking parents to the math lab to explore how we use the lab to support student learning.

We hope that you will be able to join us!

Interim Reports

Interim Reports

This is just a reminder that we released our November Interim Reports last Friday. Although there are not formally scheduled parent-teacher interviews, should you wish to connect with your child’s teacher, please feel free to contact them to set something up. Thanks.

Dance Showcase Performances

Dance Showcase Performances

Our Dance students are putting on their first performance of the year. It is called our Dance Showcase.

The students will be performing two evening shows -Thursday, December 6th and Friday, December 7th - with both shows beginning at 7:00 pm. All families are welcome to attend. For more information, please contact Mr. Macdonald.
