#### All In For Youth Surveys

##### All In For Youth Surveys

Eastglen is very fortunate to be part of the All In For Youth Initiative. This initiative is meant to provide wrap around support and services to students and their families at Eastglen. It is sponsored through the generous donations of many agencies and donors, including The United Way, The Family Centre, Big Brothers Big Sister of Edmonton and Edmonton Public Schools.

One of the outcomes we are focusing on is developing student resiliency. To that end, we conduct annual surveys to gather feedback from our students in relation to resiliency. This information is used by our school to ensure we are providing timely and required support for our students. We are currently surveying our students. Should you have any questions, please do not hesitate to contact Maureen Matthews in the office.

The students will be performing two matinee shows (Wednesday and Thursday) and an evening show this Thursday at 7:00 pm. The shows are free and we welcome all families to attend. For more information, please contact Mr. Macdonald.
