#### Final Class Re-Organization

#### Final Class Re-Organization

It has been wonderful that we have enrolled an additional 75 students since the start of the school year. However, as I mentioned in my previous letter, this increase in enrolment has resulted in some very large temporary class sizes. To that end, we have just completed the hiring of new staff, and through the course of next week we will begin re-organizing the large classes into smaller, more acceptable class sizes.

Thank you to our parents and students for your patience and support!
