This process allows for our team to identify those areas that we are achieving success, while at the same time identifying areas or processes that require attention and improvement. To support this process, our staff will be participating in Diploma Analysis Collaboration time over the next several weeks. If you have any questions, please do not hesitate to ask.</p>
Orange Shirt Day – Friday, Sept 29th	<p>Orange Shirt Day – Friday, September 29th Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) residential school commemoration event held in Williams Lake, BC, Canada, in the spring of 2013. It grew out of <u><i>Phyllis’ story</i></u> of having her shiny new orange shirt taken away on her first day of school at the Mission, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually.</p> <p>The date was chosen because it is the time of year in which children were taken from their homes to residential schools, and because it is an opportunity to set the stage for anti-racism and anti-bullying policies for the coming school year.</p> <p>Orange Shirt Day is also an opportunity for First Nations, local governments, schools and communities to come together in the spirit of reconciliation and hope for generations of children to come. Eastglen is proud to continue participating in this important event.</p>
