

# Eastglen High School

## WEEK AT A GLANCE

### September 4 – September 7

<b>Welcome Back</b>	<p><b>Welcome Back</b></p> <p>What an exciting time of the year! Welcome back to our returning students, and for our new students and their families, welcome to Eastglen High School.</p> <p>Eastglen High School has an incredible history and tradition in the Bellevue/Highlands Community. One of the greatest strengths our school possesses is our size: we are big enough to allow students to accomplish their goals, but small enough to make them feel important.</p>								
<b>Our Vision Statement</b>	<p><b>Our Vision Statement</b></p> <p>At Eastglen High School, our students and staff will develop the knowledge, skills and attitudes to achieve success.</p>								
<b>Student Timetable Changes</b>	<p><b>Student Timetable Changes</b></p> <p>One of the processes at this time of the year is making timetable changes for students. <b>Emergency Procedures</b>	<p><b>Emergency Procedures</b></p> <p>Student safety is of utmost importance at all of Edmonton Public Schools. To that end, we have clear and stringent processes and procedures to ensure we maximize the safety of students and staff. We are required to practice a minimum of three evacuation drills (including fire drills) in the fall, as well as lockdown practices.</p> <p>We will be having our first fire drill this Friday afternoon, so long as the weather permits. We will have at least two more drills the subsequent weeks in September. We will also be having a lockdown practice next week and a dynamic lockdown the following week. Should you have any questions regarding our drills or procedures, please do not hesitate to contact us.</p>								
<b>Eastglen's Assessment Framework</b>	<p><b>Eastglen's Assessment Framework</b></p> <p>Our Eastglen Assessment Framework can be found on both our Eastglen website and on SchoolZone. Our Assessment Framework outlines our assessment practices implemented in all of our classrooms. Our framework is in direct alignment with all high schools across Edmonton. Should you have any questions, please do not hesitate to contact us!</p>
