**Athletics**  
*-Update*

**Athletics**

We have a lot of activity going on in relation to our school athletics. Congratulations goes out to all of our students who participated on our Badminton Team this year. We had a large number of students participate on the team. Today they will be finishing their competition in the City Championships!

Our Handball Team continues its league play. We have a wonderful group of players whose commitment is second to none.

Our outdoor soccer season is getting underway. Tryouts have been happening this week (indoors) and we are excited about getting the season going (and having nicer weather too!). And finally, our Track team has begun their training, getting ready for competitions later in May!

We also have our gym open each day during the lunch hour to support our students in just having some fun and time to play. And finally, we also have our Fitness Facility Open for students to use every Monday, Wednesday and Friday.

Go Blue Devils!!
