“One small, positive thought in the morning
can change your whole day.”

Emergency Procedures

-Fire Drills

Emergency Procedures

As part of our Emergency Preparedness, we will be conducting three more fire drill practices. [Please note: All schools are required to practice at least 3 fire drills in the Fall and 3 fire drills in the Spring – as per EPSB Board Policies and Procedures.]

Our fourth fire drill this year will be occurring this afternoon. We practice these drills to ensure all students and staff are aware of our Emergency Procedures, Exit Routes to get outside, as well as Muster Point Locations.

Should you have any questions, feel free to contact us in the office. Thanks!

Division Surveys

Open until April 29

Division Surveys

Our Division Surveys for parents and students remain open until the end of this week. These surveys are meant to provide our school Division with feedback relative to how you feel about the quality of education your child is receiving. This includes areas that you would like to highlight and areas you would like to see improvement.

You feedback is most welcome!
