<b>School Scheduling Ideas</b> <i>2022-23</i>	<b>School Scheduling Ideas</b> All high schools are in the process of determining their schedules for next year. We are looking at several different schedules. One we are considering would entail a modified day on Fridays, with a later start in the morning for students on that day. It would allow us to build in tutorial time for students and for catching up missing or incomplete work. I would appreciate hearing your thoughts regarding this type of schedule. Please let me know at <a href="mailto:Darren.Fox@epsb.ca">Darren.Fox@epsb.ca</a> . Thanks!
