Celebrating Black History in Canada

Celebrating Black History in Canada

We are very proud to be celebrating the many accomplishments of members of our Black Communities across Canada.

I am including a link to Edmonton’s Poet Laureate and a video set to her poem, Arrival. “Arrival” is Edmonton poet Titilope Sonuga’s celebration of more than two centuries of Black communities journeying from all over the world to build a life on the Prairies. This is a wonderful poem and video. I encourage you to take a few minutes and enjoy this video.

Our Student Leadership Team is organizing a fundraiser throughout this week to support a local elementary serving many disadvantaged families.

Our goal is to collect socks for these elementary students, as this is an article of clothing that many students do not have in their clothing wardrobe. Donations will be collected in all classrooms throughout this week. Thanks for your support!
