Student Course Change Requests for Semester 2

-January 12th – 21st

Student Course Change Requests for Semester 2

Students who are interested in requesting course changes for Semester 2 are asked to email their Assistant Principal based on alpha groupings (last name). This process will be open from January 12th to January 21st. The Administration Team and Student Services Team will make schedule adjustments by January 28th.

QR codes are set up across the school that students can access to send the email request directly. Here is a listing of email contacts:

-Students last name beginning with the letters **A to L**:
(email Jeff.Lerbekmo@epsb.ca or Kelly.Larson@epsb.ca).

-Students last name beginning with the letters **M to Z**:
(email Christine.Bileau@epsb.ca or Gregory.Wong@epsb.ca)

Please note that we may not be able to accommodate all student requests. Our full year course schedule was set back in June based on the courses students selected during Pre-Enrolment last spring, which directly impacted our staffing decisions.

Grad Photos

-January 17th – 20th

Grad Photos

What an exciting time for our grade 12 students graduating this year! Graduation photos begin this upcoming week. Photos will be taken from Monday, January 17th to Thursday, January 20th. Re-takes will be available in April.

In-person photos will be taken here at the school in our small gym. There are tight Covid protocols related to the photos to mitigate the risk of the spread of the Covid virus.

Families are required to book their photos directly through [Prestige Photography](#). If you are having any difficulty, please contact Mr. Wong at Gregory.Wong@epsb.ca, as he is our Graduation Coordinator.

Should there be additional restrictions put into place by our government impacting the photos being taken at the school, a contingency plan will be shared with you.
