### **Student Senators (2022-23 School Year)** *-Nominations*

#### **Student Senators: 2022-23 School Year**

We have been fortunate this year to have Lidia and Gustavo serve as our Student Senators representing Eastglen. They have been amazing and we appreciate their time and effort. The role of the Student Senators is to connect with Student Senators from other high schools and work directly with our Board of Trustees.

We are in the process of gathering nominations for students who may be interested in serving in this capacity next year. If your child is interested, please reach out to Kelly Larson (Kelly.Larson@epsb.ca). Thanks!
