

Eastglen High School

WEEKS AT A GLANCE

November 16th – November 20th

“The strength of a community is measured by the compassion of its members.”

Quarter 2 Begins!

Quarter 2 Begins!

Well, Quarter 1 was sure a learning experience for all of us. Whether your child was working online or attending in-person it took a little while to get used to the pace of the Quarter System – not to mention adjusting to our new Re-Entry Strategy.

For our students attending in-person classes in Quarter 2, we will be reviewing with them our Re-Entry Strategy.

Eastglen Re-Entry Strategy

Eastglen Re-Entry Strategy

I am encouraging all families to revisit our Eastglen Re-Entry Strategy. It is located here in SchoolZone. We will continue to follow this Re-Entry Strategy until we receive different direction from our Division and AHS.

As we start Quarter 2 we will continue to reinforce the importance of our Re-Entry Strategy. The three guiding principles are:

1. Mitigating risk and the spread of the Covid-19 Virus
2. Family Choice (in-person or online learning)
3. Continuity of education for students

Should you have any questions related to our Re-Entry Strategy, please contact us!

Review of All Emergency Procedures

Review of All Emergency Procedures

Since we are starting a new Quarter and that we have students also shifting from online to in-person learning, we will be reviewing all of our emergency procedures. We will not be scheduling any practice fire drills nor lockdowns, but these procedures will be reviewed so that all students are familiar with what will occur in the event of an incident occurring.

Should you have any questions, please do not hesitate to ask me!
