For more information go to #EastglenConnects (access this via Eastglen's main website), then navigate to "Student Life". You can see a list of all of the clubs there. Each club has its own page with contact information and more!

<p>Entrance To School Times</p>	<p>Entrance To School Times As the weather is turning cooler, we are opening our doors to the school quite a bit earlier than in September. Although classes begin at 9:18 am, many of our students arrive early due to transit times and/or the times available for parental drop off.</p> <p>To that end, we will began opening our doors this week at 8:30 am for students to access our school. We will continue to monitor the weather and are open to opening the school earlier as the month progresses.</p>

<p>Lockers at High School</p>	<p>Lockers at High School As we are approaching the middle of October, high school across Edmonton are closely watching Covid numbers and are cautiously moving forward with our Back to School Plans.</p> <p>At this time, most high schools are not offering locker use to students at this time. For Eastglen, we will review Covid numbers and provincial requirements/restrictions and will revisit locker use following the November break. Thank you for your understanding and support!</p>
