Vaccination Requirements for City of Edmonton Facilities

Vaccination Requirements for City of Edmonton Facilities

As you likely have heard, the City of Edmonton is requiring facility users to show proof of double vaccination to enter their facilities. This requirement impacts any of our planned Phys Ed units such as Aquatics, as well as any Athletic events occurring in a City of Edmonton Facility. One such sport impacted will be Indoor Soccer.

To that end, we are giving all parents a head up that meeting the requirement for the City of Edmonton Facilities must be adhered to for students to participate in those facilities. Again, this is not a school requirement, but it is a mandatory requirement at all City of Edmonton Facilities.

If you have any questions, please reach out to our Athletic Director and Phys Ed Department Head, Dan Gosse. He can be reached at dan.gosse@epsb.ca

Halloween -Fri, October 29th

Halloween

Once again Eastglen will be supporting Halloween activities this Friday, October 29th. Students are allowed to dress up for the full day. However, all students who dress up will be required to remove their masks and have their Eastglen School I.D. cards on them. Further, students are not allowed to bring any type of weapon or item that can be used as a weapon. As well, costumes must not be offensive or inappropriate for a school setting. This is to ensure everyone's safety. Thanks for your support!

Partners With The Principal – Parent Voice Survey: Learning Commons & Lockers

As a follow up to last week's Eastglen Week At A Glance, we are exploring opening up our Learning Commons for student use at lunch, as well as exploring allowing students to use lockers.

This week's Partners With The Principal Survey is requesting your feedback regarding these two topics. Please take 3-5 minutes to complete this [Learning Commons and Locker Survey](#). We look forward to receiving your feedback!
