

# Eastglen High School

## WEEK AT A GLANCE

### September 8<sup>th</sup> – September 11<sup>th</sup>

*"We are all in this together!"*

#### So Great To See Our Students!!

#### So Great To See Our Students!!

It was absolutely amazing getting to see many of our students this past Thursday and Friday. I am looking forward to seeing all students this upcoming week!

#### Thank You Parents!

#### Thank You Parents!

I just want to extend a huge THANK YOU to all of our parents. You have been incredibly patient and supportive as we have worked our way through this new change in education. I do apologize that the start has not been as smooth as we would have liked it to be. In the end, I want to say how much I appreciate your support! Thank you.

#### Emergency Procedures

#### Emergency Procedures

To support the safety of our students and staff, we reviewed with our students their designated locations in the event we need to evacuate the school. Such situations could be related to a gas leak or a fire drill. The designated locations are the same as listed on the map for Teacher Door Designations, already shared on SchoolZone. Our goal is to familiarize our students with these muster points in the event of an emergency. Until we receive further direction from our EPSB Security Services Department, in consultation with Alberta Health Services and The Edmonton Fire Department.

We will also review our Lockdown Procedures, but will not conduct formal lockdowns (as we traditionally have done) until we receive further direction.

#### Full Return on September 8th

#### Full Return on September 8th

This is just a reminder that classes begin for all students who have chosen in-person classes. We will still employ our staggered entrance to and exit from our building to reduce the amount of students coming in and leaving around the same time. We know that our lunch hours will be less structured time, and we are counting on our students in being responsible adults and supporting our expectations as outlined in our Eastglen Re-Entry Strategy. Should you have any questions, please ask. Thanks!

#### Door Designations for Entrance

#### Door Designations for Entrance

For any students who were unable to attend this past week, please ensure that they have checked the location of your AM and PM classes.

Thanks!
